

## **Private Portraits - Frequently Asked Questions**

### **1. What type of service and photography do you offer?**

At Peach we offer the highest levels professional service. Peach has brought a fresh advertising style and approach to its business, offering its clients contemporary and timeless portrait photography. We also pride ourselves on our repeat business due to the high levels of personal and professional service we deliver.

### **2. Do we have to pay for the portrait session?**

No, the portrait session is free of charge.

### **3. What type of portrait session can I have?**

Peach offers two different types of portrait sessions. You can meet us at our studio for clean crisp contemporary studio images, or we can meet you at a location of your choice and shoot relaxed natural outdoor images.

### **4. What is the format of the portrait session?**

A family portrait session with Peach involves spending about an hour or two with you and your family, depending on its size. Before we take any pictures we will take time to listen to your requirements and allow everyone time to get used to the environment. You can bring as many outfits and props with you as you wish. There is no rush on the shoot and there will be plenty of time for changing outfits and snacks for the children.

### **5. Am I under any obligation to buy the prints?**

No, You are under no obligation to buy prints after the shoot.

### **6. What price do your prints start at?**

At Peach we offer high quality, yet affordable products. Our hand-finished photographic prints start at just £30.

### **7. How do we get to see our images?**

About a couple of weeks after the portrait session we will upload the edited images onto our secure website where you will be given log-in details to your secure personal gallery. From there you can view and order your prints from the comfort of your own home. Feel free pass your log-in details to any family members and friends, for them to see your images and make any purchases of their own.

### **8. What selection of images will we get?**

During the editing process we will select the best images from the session and uploaded them to your personal on-line gallery. You can expect to see around 50-80 images in your gallery depending on the size of your family. All of the images will be displayed in both colour and black & white for you to choose from.

### **9. What type of products do you offer?**

All Peach Photography's products are finished to the highest professional standards. We provide hand-finished photographic prints for you to frame yourself. Bespoke high-quality framed prints, presented in our made-to-measure boxes. Finally we also offer stretched canvases that maximise your visual impact, which are of the highest quality, stretched over 40mm deep hardwood frames, again presented in our boxes.
